

Cartography and course setting: Ag Ćmiel-Gruca PInO 713

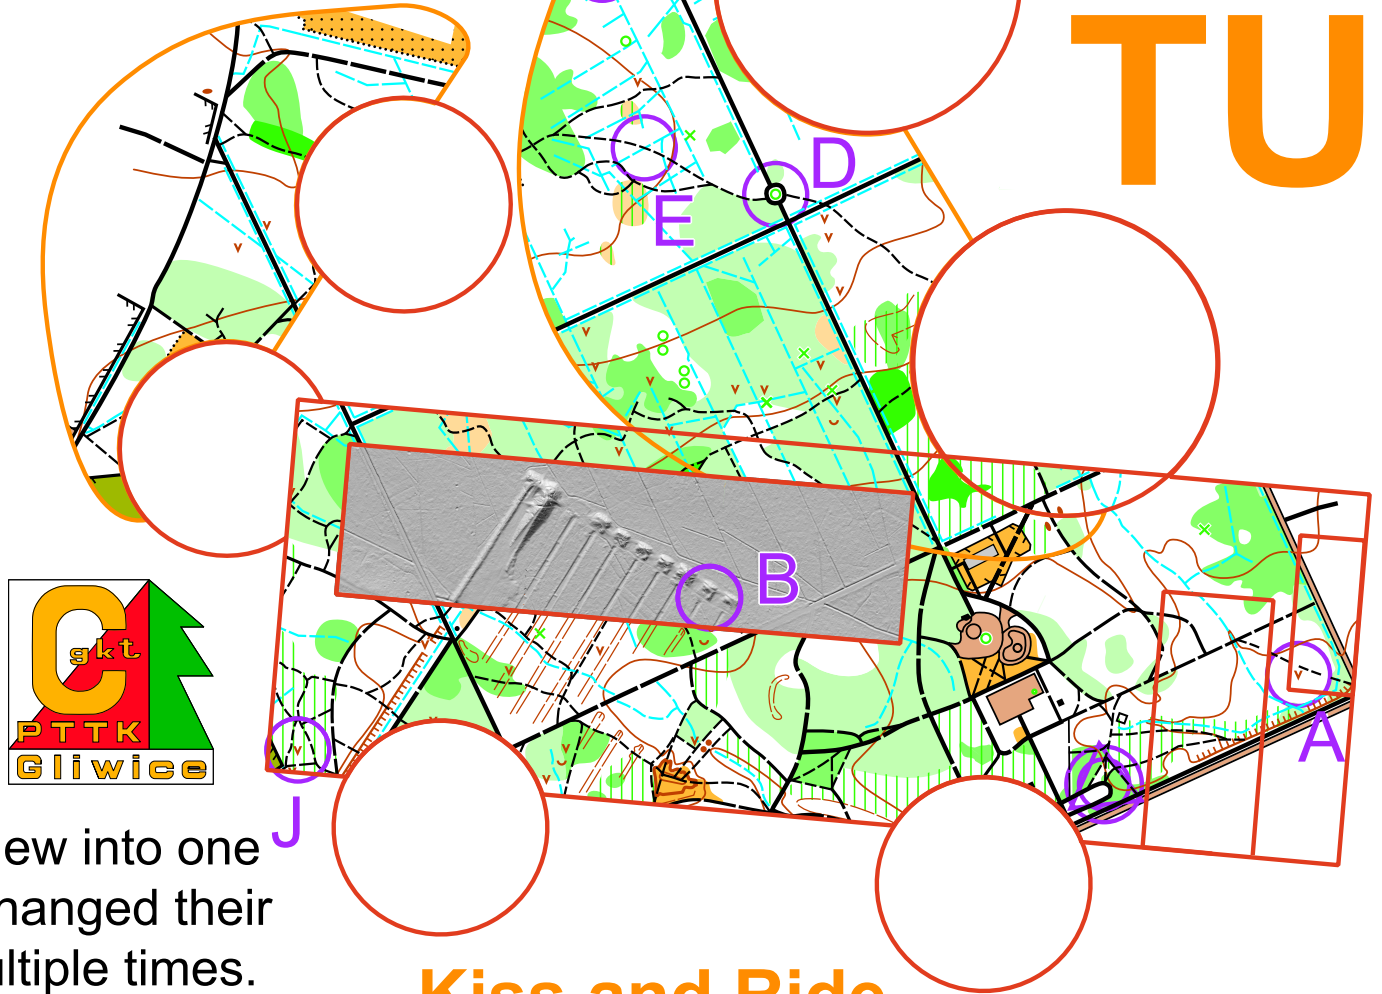

Number of control points: 12

Control order: as you wish

Time limit: 110' + 30'

Distance: ok 4 km

Scale: ?

The wheels of all the vehicles flew into one spot after the collision. Some changed their size, and some also rotated multiple times. The bus window—smashed! In its place, there's now a piece of lidar.
